makes old linen look like new. It matters little to us how old a shirt or collar may be; we finish it in such a way that it has the appearance of being new. The scratchy edges of old collars are carefully removed by us, leaving the edge that comes in contact with the neck as smooth as ivory. Every little detail in our laundry receives most careful attention. If you are not wearing our work we'd like to have you phone us and ask us to send for a trial package. We'll guarantee to please you in every way.

AUTO SPEED CARNIVAL

Will Be Held In Connection With the Mardi Gras Festivities at New Orleans.

(Herald Special.) New Orleans, La., Feb. 4.—Everything is in readiness for the opening tomorrow of the big two day automobile race meeting to be held in connection with the annual Mardi Gras carnival. The meet promises to be one of the most sensational ever held on a mile course, as many of the men entered are record holders, and there will be much rivalry.

The practice work argues well for the smashing of records. Many of the score or more of drivers completed the circuit close to record time today. Among the noted drivers who will compete in the two days of racing are Barney Oldfield, with 130 horsepower Benz; George Robertson, 90 horsepower Simplex; Ralph De Palma, 90 horsepower Fiat; Louis Chevrolet, Buick; "Speedy" Shaw, Knox; Arthur W. Greiner, National 40; Ben Kirschner, Darracq; Joe Nelson, Buick; Joe Grennon, Buick; Billy Lynch, Jackson 40, and Arthur Chevrolet, Buick.

Strange Idiosyncrasies and Opinions of Some Gray-Haired People and Those Affected With Scalp and Hair Trouble.

New York City sends out more salesmen, twice over, in all probability, than any other city in the world. At an annual banquet given by a big firm to its salesmen there were present some two hundred gray-haired and bald-headed salesmen. It was a subject of mournful discussion among them that the firm was commencing to prefer younger men. One old patriarch, grown gray in the service, remarked to several gathered around him: "Here I am doing as good, if not better, work than I ever did in my life; yet, because I am commencing to show my age, am slated for the 'has been' division. I wish I knew of something that would turn my hair to the color of that of a lusty man of thirty." "Why don't you use Q-Ban Hair Restorer?" suggested one of his audience. "My friend," answered the old fellow, "I once visited the plant of a big patent medicine firm. On my way through one room, I asked one of the employees what they put up there. 'Hair Restorer,' I was told. Well, I want to say that among the employees working in that room I never in my life saw together so many gray-haired and bald-headed people." "All right," replied the other, "I have a good head of fine brown hair, haven't I?" Well, my hair three months ago, before I came with this firm, was a fine old iron gray; I used Q-Ban Hair Restorer, you see the result, and the owners of Q-Ban Hair Restorer agreed to refund me my money if it didn't do a fine old iron gray. My wife used Q-Ban Hair Tonic and it has cleared her scalp, stopping her hair from falling out, and I'll bet it's increased the length six inches." "Where can you get it?" "Oh, at any drug store, and the druggist will back up the guarantee."

Motley Drug Co. recommends and sells these preparations. If you are gray haired or your hair is commencing to fade, you can have the first full size 50c bottle by sending 12c in postage to the Hessig-Ellis Drug Co., Memphis, Tenn.

EASTERN LEAGUE MEETS

At Montreal With More Than a Score of Officials and Managers In Attendance.

(Herald Special.)

Montreal, Feb. 4.—The annual spring meeting of the Eastern Baseball League opened at the Windsor Hotel in this city today with more than a score of officials and managers in attendance. Owing to the large amount of important business to be disposed of it is expected that it will be the first of the week before the meeting concludes.

The adoption of the schedule is the first important item of business on the program. President Pat Powers has prepared a schedule which will probably be adopted without change. It provides for a season of 154 games, the same as last year. The opening dates are as follows: Wednesday, April 21, Buffalo at Baltimore; Thursday, April 22, Rochester at Newark, Montreal at Jersey City, Toronto at Providence.

Outside of business pertaining to the schedules, there is much interest in the adoption of a new constitution, as was agreed upon at the annual meeting in New York last fall. Some animated discussion is also expected to arise over the salary limit question. There was a split last year, and some of the clubs were accused of disregarding it. Some of the magnates now favor removing the limit altogether or placing it so high that it won't conflict with signing high priced players.
